**NOTICE OF FINE FOR MISSING  
CEU'S AT LICENSE RENEWAL**

**Effective immediately:** Audited licensees who fail to provide proof of required Continuing Education Unit's (CEU's) for license renewal will be fined \$75. This fine is in addition to any other fees incurred during the process of license renewal. The licensee must also complete and submit the remainder of the approved CEU's before his or her license expires. 201 KAR 32:060.

**Please Note:** Marriage and Family Therapist Associates are not *currently* required to obtain CEU's before annual permit renewal. But regulations are pending that will decrease the total number of CEU's for annual renewal from 15 to 10, AND this regulation **will** include the Associates as well as Licensed Marriage and Family Therapists.

**Notice of regulations changes will be sent when they are effective. Changes Still Under Discussion**
